Thursday 26th March—Pod 6 Forest School

Tuesday 31st March—Dance Umbrella

Friday 3rd April—Mufti Day—Dare to be Different

Friday 3rd April—End of Term

Regrettably Mr Brooks when home very poorly on Monday this week and has had to spend a short time in Hospital. He will continue to be absent from school after half term to recover. I am sure you will join all the staff in wishing him a speedy recovery back to his full health again. We have got consistent teaching staff to cover his absence and Miss Dyer will be working closely with the teacher to ensure no disruption to learning.

A note from Mrs Savory

We have reached the end of Term 3 and what a busy one it has been! Our skip has gone and the class rooms are looking must improved following our big de-clutter and re-organisation of the class rooms. Having spoken to many of the children from all the Pods, the overwhelming view is that they are all noticing a big difference with the amount of space they have around each other and how tidier it all feels, enabling everyone to get on with their learning.

Our next project is to revamp our Library, so watch this space. This is to continue with our whole school focus on further developing reading this academic year. On this note, please encourage your children to keep up with their reading over the half term to fulfil our reading expectations.

Last night the PTA ran our Valentine Disco very successfully. Our thanks to all the volunteers who helped prepare and attended on the night to make it so enjoyable! We will let you know how much they raised shortly.

Next term we have Book Week to look forward to and Miss Roberts has already emailed out the details; get your PJs ready!

Lost property - we will be having a storage trunk for lost property which will be kept outside on the terrace in the big playground. This will make it easier for Parents to locate lost items. However, I must stress the importance of labelling all your children's uniform and belongings.

Have a lovely half term break and we will see you back on Monday 24th February.

Uniform — We pride ourselves in looking smart and thank our parents for ensuring children come to school in the correct uniform. The uniform policy is on our web site: <https://www.chandagjuniorschool.org.uk/the-office/#uniform>
Please check that your children are complying with this. I have spotted an increasing amount of trainers being worn by pupils and this is not part of our uniform policy.

Half term eco challenge:

Mrs Stone has sent out details about making Eco-bricks to help develop the Wells-way garden area. It will be wonderful if children would like to support her by making a Eco-brick and bringing it into school after half term. These are to make raised beds for growing flowers and vegetables .
