**Leavers Assembly:** This afternoon we wished our Y6 pupils a fond farewell after they had shared with their parents and the school, the memories they hold of their time with us at the school. We saw photographs through the different year groups and heard funny recounts of their time here. We wish them all the very best for their next learning journey at their secondary schools.

**Pod 6 Leavers Production:** Our Y6 children starred in an outstanding performance this year putting on a 'crack-a-lacking' show of Madagascar. They all clearly enjoyed every moment of their show, making us all feel so very proud of them. Thank you to all the children who embraced learning their lines and songs so brilliantly and to the staff team: Mrs Muncer, Miss Roberts and Mrs Lichfield who enabled it all to happen!

## National test results (SAT) for Y6 2019:

- ✓ The year 6 children have always tried their very best and pushed themselves to succeed. We are very proud of the children and the teachers across the school who have contributed to this set of results. Congratulations to every child.

- ✓ **Our staff team!** Your hard work, determination, commitment, resilience, positive attitude and passionate belief in the holistic development of our children; and your belief in each other!  
Thank you!

**Thank you to the children, the staff and the parents who have all contributed to the children's successes.**

**Mrs Jo Savory**

**Pod 6 Leavers Disco:** Our Y6 pupils enjoyed a most fun and glamorous Leavers' Disco last Friday in the school hall which was decorated by a group of Y6 mums who made the event a great success for the children to celebrate the culmination of their time at our school.

### **PTA 'Thank you':**

**Thank you** also to the entire PTA team this year for the outstanding effort you have put in to raising money for the school to improve the quality and enjoyment of their education. We could not do without you – and the generous parents' donations. We also say a very fond farewell to Mrs Justine Brimacombe as Chair of the PTA. Justine has worked so hard to organise events to raise money for the school along with her team of volunteer parents. As a school, we are so grateful for what has been purchased whilst you have been PTA Chair: the gazebo; the staging and storage under the stage; the AV system in the school hall, laptops, ipads, new touchscreens to replace the old interactive Whiteboards in the eight main classrooms and more recently the beginning of the outdoor area replacement project. In between that, playtime equipment and subsidies to some trips.

**Sports:** Please see the separate Sports Newsletter sharing our achievements. Thank you to Mrs Stone and Mrs Muncer who work so hard to ensure our children are able to take part in such a range of activities.

### **Have a wonderful break with your families...**

Enjoy the summer holiday and thank you for your hard work and support for the school this year once again. The very best of luck to Year 6 😊! You are well prepared for secondary school – we are sure you will settle quickly and you will thoroughly enjoy the new challenges ahead. To everyone else, I hope the lovely weather holds for us all, and see you in September for another successful year at Chandag Junior School.
