

Chandag Junior School received a Sports Premium Grant (SPG) for the financial year 2016-2017, and in line with government policy the premium has been used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of our primary-aged pupils to encourage the development of healthy, active lifestyles.

Chandag Junior Schools aims to use the sports premium money are:

- To increase participation in PE through a wide range of quality provision
- To ensure all staff have access to high quality professional development which will result in an improvement in the teaching and learning of PE skills
- To enable all pupils to participate in a range of competitive sports
- To create a challenging environment that will enable every child to fulfil their potential
